

PRIYA SAVLA

Priya Dedhia is a Cyber Security and Digital Forensics expert with over 10 years of experience in the Information Technology field. As an Engineer and Certified Ethical Hacker (CEH), she plays a pivotal role at Skynet Secure Solutions. In her role, Priya conducts Risk Audits, Vulnerability Assessments, and Penetration Testing for applications and networks.

She actively engages in Digital Forensics and Cybercrime investigations. Her expertise extends to collaborating with law enforcement agencies such as the Income Tax and GST departments, participating in raids, searches, and seizures.

Beyond her corporate responsibilities, Priya has demonstrated her commitment to knowledge sharing by conducting numerous trainings, seminars, and workshops. She has engaged with institutions like the Bombay Chambers of Commerce, ICAI, Computer Society of India, as well as various colleges and universities, contributing significantly to the dissemination of cybersecurity awareness and skills.
